## **PRESS RELEASE**

For Immediate Release

March 13, 2006

### **Statement Regarding Storm Damage from Lt. Gov. Peter Kinder**

“Missourians state-wide, were affected by storms that crossed our state this past weekend. I saw the devastation firsthand in Perry County where two people were killed, ten people were hospitalized and nearly a dozen homes were destroyed. Few areas of our state were not touched by these deadly and costly storms. Governor Blunt is also touring storm damaged areas, and I will support him in his efforts to help those affected by the storms.”
